

BOARD OF EDUCATION, SCHOOL DISTRICT 149  
MINUTES OF THE REGULAR BOARD MEETING VIA ZOOM  
MAY 20, 2021

The Regular Board Meeting was held via Zoom and the meeting was called to order at 7:04 P.M. by Ms. Rayya Ghani, Board President.

**Roll Call:** Present: Members: Ms. Ghani, Mrs. Crisler-Liggons, Mrs. Gray Everett, Mrs. Jemine, Mr. Tillman, Mr. Castillo and Mrs. Jolly. Absent: None.

**Board Member Comments and Questions – None**

Also in attendance were: Dr. Shelly Davis-Jones, Dr. Twyla Harris, Cedric Lewis, Dr. Brigitte Garth-Young, April Brown, Dr. James Cunneen, Board Attorney, James Vasselli, Board Attorney, Brandon Marshall, David Ormsby, Dr. Vedia Page, April Davis, Carolyn Franklin, Laura Wolf, Jamie Hayes, Dr. Nicole Robinson, BeNita Parker, Karen Slate, ZaRita Beal, Gabrielle Herndon, Renata Patterson, Christal Washington, John Johnson, Latricia Lewis, Danielle Franklin, Jamar Everett, John Smida, Alfred Thompkins, Pamela Eldridge, Kim, Jeannie Dryan, Ernesta Ransom, Mae Brown, Yvette Shackelford, Jori Watson, Felecia Nunley, Tonia Leonhard, Allecia Johnson, Nafiseh Vossoughi-Parks, Secrett Stone, Cathleen Mancine, Stacey Burgess-Brundige, Sharrie Sanders, Yvonne Jackson, Sharon Wyche, Kimberley Cooper, Kenyetta Brown, Tasha Jones, Aaron Stevens, Monica Lavalais, Cherita Smith, and Vanessa Drew.

Board President, Rayya Ghani turned it over to Superintendent Dr. Shelly Davis-Jones.

**Cabinet Reports –**

Dr. Shelly Davis Jones – End of the Year

I would like to welcome and introduce the new Food Service Director that Organic Life has hired to replace Zetta Piggot. Please join me in welcoming Ms. Kenyatta Brown.

Ms. Brown thanked the Board of Education for having her and it was good to meet everyone.

The District received a letter from Steve Fain the Executive Vice President for WIN Learning. He shared with Consultant Rhonda Davis that District 149 is recognized as one of the Champions during the 2020-2021 school year. The online usage has exceeded 3500 + hours of interaction in the Essential Soft Skills Courseware which is one of the highest in the United States since the Pandemic. Our students have been engaged in Four Models: communicating effectively, conveying professionalism, promoting teamwork/collaboration, thinking critically and solving problems. Congratulations to Consultant Davis, Ms. Phillips the Middle School Teacher and All of the Sixth Grade Teachers across the District. You Continue to prove we will not be defeated!!

The Boards investment in growing their own teacher talent has come to fruition. On May 7th the following JETPrep Teachers Yvonne Jackson, Tasha Jones, Sharrie Sanders, Aaron Stevens, Kimberley Thurmon and Sharon Wyche graduated from Roosevelt University with a Masters of Arts in Elementary Education. I have invited the teachers here to congratulate them with the Board for completing a major milestone. The Board now has five newly licensed teachers. Thank you school board for your vision and leadership.

As our EL population increases, the district must hire a Bilingual Speech Pathologist for two EL students who need speech therapy. We have children in the district whose parents do not speak English and we appreciate the Board hiring a contracted Bilingual Translator and Evaluator but now, we must work with Milestone our contracted company to recommend a Bilingual Speech Pathologist to serve the EL students for speech therapy.

On May 12<sup>th</sup> and 13<sup>th</sup> the District received information from the Regional Superintendent about the COVID-19 vaccination which has now been approved for students aged 12+ years and up! ROE is asking for the District's assistance in helping to spread the word by posting additional COVID-19 vaccination educational resources in English and Spanish to support outreach/education for schools, parents and children on our website. We have not posted any information, as we wanted to share with Board first before posting on the District website. We have included the flyers in your board packets. The Regional Superintendent shared that they will meet with Cook County to address high priority needs for Mobile units and vaccinations sites for targeted schools. Dr. Kinder went on to shared that the first target in the communities the hardest hit with the lowest number of vaccines taken is Dolton, Blue Island, and Harvey. These communities have higher numbers of COVID-19 cases. TF South is still taking walk-ins if anyone is interested in taking the Pfizer vaccine.

Shari Gomez, the CTA President conducted a COVID-19 Vaccination Teacher Survey that consisted of two questions:

1. Have you been vaccinated? And 2. Which school do you consider your home school. To date we have 81.2% of the teachers in the district vaccinated and 18.8% not vaccinated. The survey data is broken down by aggregate. This is data has been requested by ROE to share with Cook County Department of Public Health.

At the last Board meeting, the team did not have the data for Mandatory 8<sup>th</sup> Grader Summer School. We would like the board to consider this request as summer school begins June 14<sup>th</sup>. Principals have identified 8<sup>th</sup> grade students who struggled with remote learning and really need to attend a mandatory summer school.

As we move to the end of the year we are asking the Board to bring the administrators and clerical staff back Monday June 7<sup>th</sup> so, we can tie of loose ends from the 2020 school year and begin closing out the 2021 school year. We are also asking the board to approve summer hours effective June 9<sup>th</sup> and regular business hours for August 9, 2021.

All building principals have been informed to begin boxing old student records in alpha order with student name and grade level for the 2018- 2019 school year. Datamation will be contacted to pick up and scan records to minimize paper storage throughout the district.

On Friday, May 21<sup>st</sup> the Future Scholars Program brochures will be placed on the District website and the Middle School selection forms will go out with a return date of Friday, May 28<sup>th</sup>. The brochures will be placed on the 6<sup>th</sup> grade Google and Dojo platforms. This gives the parents and students time to ask any questions they may have before they decide which middle school they want to select and attend as their first and second choice.

We are looking to have all administrative assistants and building administration take a refresher training on scheduling via live remotely using WebEX, so we can get the students scheduled in the next grade in Skyward.

I would like the board to consider revising the public school calendar to add 5 more half days. August 30th, September 29th, November 23rd, January 20th, and May 12th in an effort for teachers to participate in articulations meetings and attend more professional development. Adding more half days will fulfill the teachers request to support learning loss, have more meaningful articulation meetings and master instructional strategies in numeracy, literacy and mental health. We have banked time! I met with Dr. Doyle who manages the public school calendars for the region and she loves the idea of teachers having more time to share in professional development, participate in our IL EMPOWER School Improvement meetings and participate in grade level articulation meetings. We have finally become a district who banks time legitimately.

Lastly, I received the Resolution from the Illinois State Board of Education on Tuesday. In-person Learning is on the calendar for the 2021-2022 school year. I would like to email each of you the resolution from ISBE. At the Superintendent's meeting this week, I had many questions about the return to in-person learning just as other superintendents about what will happen to remote learning. Our team planned for a Hybrid meeting for the fall but, we had an In-person Learning meeting instead.

The State is expected to open up on June 11<sup>th</sup> and we want to be ahead in planning for a safe return for our students. This will mean continuing our mitigation plan to minimize the spread of COVID-19. Mask mandates, self-symptom checks daily, temperature scans and frequent sanitization of hands, daily school cleaning, social distancing and plexi shields for each student desk and more surveys and town hall meetings to see how parents are feeling about the return to in-person learning.

After attending the ISBE board meeting on yesterday it was evident that ISBE will work to provide guidelines for all schools in the state of Illinois as soon as possible. I look forward to the guidance.

#### Carolyn Franklin – Summer School Update

I am excited to announce that we will be launching our first Summer Literacy Camp Summer School! This program will encompass approximately 205 Kindergarten – 7<sup>th</sup> grade students and is being modeled after Roosevelt University's Summer Reading Clinic. Currently, we have the support of approximately 32 participating staff members which include certified regular ed teachers, special education teachers, ELL teachers, permanent guest teachers, nurses, social workers, paraprofessionals and balanced literacy coaches. Over these 13 days, students will be engaged in activities around the 4 in 1 literacy block and will deepen their love, joy and passion for reading while learning about knowledge about the world. Most importantly, providing our students additional academic support through an extended school year will be beneficial in preparing them for the upcoming school year.

Students will attend Summer Literacy Camp Monday – Friday from 8:30 a.m. – 12:30 p.m. from June 14<sup>th</sup> – June 30<sup>th</sup>, 2021. To date, the principals have done a wonderful job of contacting at least 170 parents and we have an overwhelming response of at least 147 of these parents indicating that their child will attend in person with only 16 students indicating that they will participate remotely. A Parent Orientation will be held on June 1<sup>st</sup> to provide parents a brief overview of the daily schedule, expectations and safety protocols during Summer Literacy Camp. We are excited to welcome our students back on campus in person and we are looking forward to a productive summer of learning and fun!

Thank you to our School Board for allowing this wonderful opportunity for our students.

Superintendent Davis-Jones apologized for the oversight and introduced and congratulated another one of our graduates Sharon Wyche.

Dr. James Cunneen – General Matters of the District

We had a pre-bid for the Wireless and I would like to thank Akil Khalfani and Dr. Garth-Young for jumping in at the last minute to make it successful pre-bid meeting. We think we are going to have our replacement of the equipment this summer.

We are working on the plans to present to you to award the bid at the Committee of the Whole Meeting, I am asking the board if they would consider making that meeting a special board meeting so we can take action on the bids. Board President Ghani polled the board members and they all agreed to make the Committee of the Whole Meeting a Special Board Meeting for June 9, 2021 at 6:30.

You trusted the negotiation's team and they gave a direction, help our kids, taxpayers and help our teachers, it was put into practice and the board gave us that directive to follow. We reported back to the board our successes and we were able to accomplish all three tasks.

We are helping our children by a 5-year relationship with our Teachers Association, there is language to provide help services to all of our children and allow paraprofessionals be a part of our instructional plan. There is language for implementation from our consultants and we think these are major goals.

To our taxpayers and teacher's received a very nice raise and the district only incurred a minimal expense of 1.7%. This was done by previous negotiations that allowed for a restructuring of the salary schedule, retirement incentive and continuity to pay teachers. We were able to agree in record time on this agreement I really had a great team this time and some new faces Dr. Garth-Young, Dr. Harris, Carolyn Franklin, to assist me and Superintendent Dr. Davis-Jones and a lot of work was done.

The other side was the CTA that always trying to work in the best interest of the teachers. I would like to acknowledge another young lady who worked very hard without compensation and that's Nafiseh Vossoughi Parks.

Nafiseh Vossoughi-Parks stated:

Good evening everyone. I'd like to start by whole-heartedly thanking the members of the Dolton School Board and Superintendent Dr. Davis-Jones for your continued support and willingness to work together with the Classroom Teachers' Association for the betterment of our students. We appreciate the trust you put in us and your administration. It is such a blessing to have a great working relationship with the administrative team.

And, I have to say, we truly enjoy working with them. It's always easy though when we strive to put the students first and make decisions that will have a positive impact on their learning. We are honored to be a part of the Dolton School District 149 Family and we will continue to work for the betterment of our children. We had an overwhelmingly positive response from the teachers; 72 members came out for our drive-through vote, 69 voted yes and 3 voted no.

Dr. Brigitte Garth-Young – Technology Update

The Technology Department has engaged in preparations for the implementation the Student Online Personal Protection Act (SOPPA): Below is an overview:

As mentioned the Superintendent at the April school board meeting, the Student Online Personal Protection Act (SOPPA) requires all Illinois public school districts to provide additional guarantees to protect student data privacy, effective July 1, 2021 ([105 ILCS 85/15](#)). Among the requirements, the act directs schools to implement and maintain reasonable security procedures and practices that meet or

exceed industry standards.

In preparation for SOPPA's effective date of July 1, 2021, our district has completed or procedures in progress for the following:

1. Central Office Collaboration Meeting to Identify Participating Vendors. Administrators were provided with a spreadsheet to collect vendor data to be submitted to Dr. Young.
2. Dr. Young's membership with the Student Data Privacy Consortium (SDPC) is established.
3. Collaboration with Superintendent regarding the ISBE template for the Vendor Agreement.
4. Website Updates to Comply with the new SOPPA legislation is a work in progress.
5. Implementation of the State Identified Reasonable Security Practices: Hardware Asset Inventory; Software Assets; Secure Configurations; Maintenance, Monitoring, and Auditing Logs; Email and Browsers; Malware; Boundary Defense; Data Protection; Controlled Access; Training for Staff and Stakeholders; Incident Response and Management; Vulnerability Management; Admin Privileges; Network Ports, Protocols and Services; Data Recovery; Secure Configuration of Network Devices; Wireless Access Control; and Account Monitoring and Control. These best practices are maintained and sustained by the District's Technology Department and our IT Management Company E2 Solutions.

Business Session began at 7:39 P.M.

**The Pledge of Allegiance** – Said by all

**Meeting Open to the Public for Comments for Board Agenda** – No Public comments were made.

**Board President Consent Agenda**

<p><b>MOTION</b> by Mr. Castillo, seconded by Mrs. Crisler-Liggons to consolidate the President Consent Agenda G1, G2, G3, G4, G5, G6, G7, G8, G9, G10, G11, G12, G13 G14 and New Business K1.</p> <ol style="list-style-type: none"><li>1.
