- (b) Nothing contained herein shall be construed as limiting the rights of any employee having a complaint, to discuss the matter informally with any appropriate member of the administration, and having the complaint adjusted without intervention of the Union, provided any such adjustment shall be consistent with the terms of this Agreement.

8.3 Grievance Representation

- (a) At all steps of a grievance, after it has been formally presented in writing, at least one (1) representative of the Union may attend any hearings, appeals, or other proceedings required to process the grievance. 4. Adjustments for insurance contribution overpayments made by SPCA members between January 1, 2016 to the ratification of this new contract.

Prior to ratification, the District and the SPCA tentatively agreed that, beginning January 1, 2016, SPCA members earning a base salary less than \$45,000.00 per year shall make smaller percentage insurance contributions than those SPCA employees earning a base salary of \$45,000.00 or more based upon a sliding scale for each type of coverage as set forth above in section 3 of this Appendix B. Upon ratification of this new SPCA contract, the District will rebate to SPCA members making a base salary less than \$45,000.00 an amount equal to the difference between the insurance contributions they actually made and the insurance contribution they should have made under this agreement by retroactively applying the new insurance sliding scale contribution amounts as of January 1, 2016. This rebate shall be payable by giving SPCA members a credit on their insurance contributions beginning as of their April, 2016 paychecks until a credit for the entire amount of the rebate due has been made.
